

Dr. Maria C. Pettolina, CSCSA

Forensic and National Security Sciences Institute
Syracuse University, Syracuse, NY
mcpettol@syr.edu

EDUCATION

- 2020 Doctorate of Management in Higher Education, **Colorado Technical University**,
Dissertation: *Exploring Educational Approaches for Managing Police Officer
Resilience in the Wake of a Critical Incident*
Committee: Debra Burrington (chair), Kevin Davies, Kathleen Hargriss
- 2007 Master of Science in Forensic Medicine, **Philadelphia College of Osteopathic Medicine**
- 2005 Bachelor of Arts in Criminal Justice, **LaSalle University**,
Cum Laude, Sole recipient of the Criminal Justice Award

CERTIFICATIONS

Certified Senior Crime Scene Analyst (#CS12986), International Association for
Identification, April 2022-April 2027

CURRENT PROFESSIONAL ROLES

Professor of Practice, Syracuse University, Syracuse, NY

January 2023 -present

Full-time faculty member for Forensic and National Security Sciences Institute.

Courses: FSC406, Advanced Forensic Sciences, FSC463/FSC663: Bloodstain Pattern
Analysis

Lecturer, University of Northern Colorado, Greeley, CO

March 2020-December 2022

Full-time faculty member for the Criminology and Criminal Justice Department and Program
Coordinator for the Criminal Investigation Certificate Program. Responsible for the development
of a proposed Forensic Investigation Minor for Fall 2023.

Courses: CRJ402: Evidentiary Photography, CRJ405: Bloodstain Pattern Analysis, CRJ110:
Introduction to Criminal Justice, CRJ260: Crime Theories, CRJ362: Criminal Behavioral
Analysis, CRJ403: Crime Scene Investigation, CRJ406: Death Investigations, CRJ395:
Introduction to Forensics/Criminalistics

Instructor, Tri-Tech Forensics

May 2020-present

Courses: Death Investigations

Forensic/Police Consultant, State of Colorado, Boulder, Colorado

December 2018-present

This is a contract renewable position with the University of Colorado Police Department. The
position provides consulting to the Property and Evidence Section and the Crime Scene
Investigation Section of the police department. The main goal of this position is to provide advice
and expertise to assist in the development, revision, and/or implementation of training, policy, and
procedure and overall organization to prepare the agency for national accreditation.

Owner and Forensic Expert/Consultant, Future Focus Forensics, Denver, Colorado
April 2018-present

PAST PROFESSIONAL ROLES

Instructor, Community College of Denver, Denver, Colorado
August 2019-August 2021
Courses: CRJ231: Introduction to Forensics/Criminalistics

Instructor, Colorado Technical University, Aurora, CO
July 2013-March 2020

Lead Forensic Investigation Instructor who was responsible for providing quality instruction to students through well-prepared classes, relevant assignments, fair and holistic assessment of learning, clear documentation of student progress, and support of the academic success of at-risk students.

Courses: CJFI410: Advanced Crime Scene Forensics, CJFI420: Forensic Photography, CJFI430: Medico-Legal Death Investigations, CJFI450: The Recovery of Human Remains, CJFI451: Introduction to Ridgeology, CJUS360: Introduction to Criminalistics, CJUS410: Criminal Investigation

Crime Scene and Evidence Manager, Parker Police Department, Parker, CO
October 2016-October 2018

This was a safety-sensitive position, exercising a high degree of discretion, trust, and confidence. The function performed professional and supervisory work over both forensic crime scene investigation members and property members, provided leadership and direction, devised and evaluated performance standards for the assigned area, and developed long-range and short-term goals and objectives for the assigned area in conjunction with departmental plans and goals. This position must meet all essential duties and responsibilities listed in the Crime Scene Investigator III job description. In addition, the position encompassed recording and securing property and evidence as established under law, policy, procedure, and municipal ordinance. This function supervised all crime scene and property functions for the Town of Parker. This function will supervise both the crime scene investigation members and property members as described and detailed in the Intergovernmental Agreement (IGA) for the Lone Tree Police Department.

Crime Scene Investigator II, Aurora Police Department, Aurora, CO
January 2012-October 2016

Investigated crime scenes; this role located, identified, classified, collected, and preserved crime scene evidence; photographed evidence; prepared reports on investigations; assisted coroner at death scenes; attends autopsies to collect evidence and photograph examinations; takes measurements of crime scenes and produces scaled drawings; testifies in court as required, and performs additional duties as required.

Crime Scene Investigator, Durham Police Department, Durham, NC
December 2009-January 2012

A responsible civilian position with assigned tasks involving detection, collection, and preservation of physical evidence found at crime scenes, fingerprint processing and analysis, photography, physical evidence examination and analysis; in cooperation with sworn officers and court officials involved in the investigation and prosecution of criminal cases throughout Durham County; and other forensic duties of cases under investigation.
